EXETER TRANSPORTATION COMMITTEE					
The Exeter Transportation Committee is a standing committee appointed by the Board of Selectmen. The purposes of the committee will include: the exchange of information on current and upcoming projects; identification of unmet transportation needs; identification of opportunities for collaboration in developing multimodal transportation services for the Town of Exeter; review current transportation providers and their services to Exeter residents; identification of opportunities for additional transportation services for Exeter residents; identification of funding requirements and funding sources for transportation services in the Town of Exeter.					
The committee will meet quarterly and provide a report to the Board of Selectmen and Budget Recommendation Committee under the Human Services budget appropriations.					
The committee is composed of Town staff, elected officials and representatives of various Town committees and community organizations with missions related to transportation regardless of mode and citizen public transportation users.
